### Why tutoring?

Tutoring can help you learn about a subject in new ways and from different perspectives. Our tutors are committed to helping students find the path to learning that is best for them. We offer by-appointment, drop-in, and online services to assist students in reaching their learning goals.

### What subjects do you tutor?

Whether you are writing a paper or working on math problems, studying for a chemistry exam or conjugating Spanish verbs, we have the resources to help! Students can sit down with writing, math & science tutors one-on-one, and we offer Supplemental Instruction (SI) and guided study in several popular courses. Call or check the schedule to find out more.

### How do I get help?

Our services are free to all ETSU students. To register for tutoring, come by our desk in the library, call 439-7111, or visit our website and click on the "Register" link. All registered students have access to our online schedule which is searchable by course or subject. All tutoring, other than online tutoring (see below) happens in the CFAA, just past Einstein's Bagels on the first floor of Sherrod Library.

### When can I get help?

Beginning January 26, excluding official university breaks, our tutoring schedule will be ...

Monday – Thursdays	9am to 9 pm
Fridays	9 am to 4 pm
Saturdays	Closed
Sundays	3 to 9 pm
